

CW Minutes 2.10.2021

Action Items:

- Review and approve January minutes - approved

April Hillman

- For instruction, we need to see what the situation is with people who are expiring or need renewal.
 - We will send a note out to instructors that says renewals were extended.
- Discussed whether we are open to creating an open pool time. Decided we would keep sharing where pools are available, but we aren't going to sponsor anything.
- For conservation, Patrick was invited to participate in some sort of Golden outdoor rec review/strategy session.
 - Nik, Tim and Patrick on board. Working to establish that kayakers are different. More to come.

Josh Thurmond

- Instruction
 - Would like to have some instruction at end of the summer (July/Aug)
 - Need to stay aware of other outfitters and the time of year
 - Discussed possible partnerships again – need cruise leaders on river weekends, so we need outside help. Keep insurance concerns in mind.
 - Discussed Ark, Upper C, Bear Creek, Chatfield, etc.

Rebecca Wissman

- Virtual events (spring dinner, movie night, etc.)
 - Virtual watch party for Natl. Film Festival – They are doing their own event worldwide April 20– we can promote it though
 - We might be able to do a watch party through Twitch
 - Alternatives?? – let us know if you have ideas. Trivia night?
 - Need to look into whether our members value these meetings enough to want them virtually
 - Maybe look into a few short skill/safety events
 -

Nik White

- Let's add a discussion about the club Covid-19 policy.
 - First draft:

 - Patrick –

- What sort of duty do we want to assume to report. Answer – have it filter to Nicole and then she will get it to relevant party
- Do we want it some things to be mandatory or recommendations? ie. after event. Decided to reword to say “until the end of the event”
- Discussed a few small edits
- Discussed what category we are and what our capacity limits are. The best thing is to clear it with the county of the event.
- Do we need a check box or signature/waiver?
 - Decision: have a waiver on back of ACA waiver for COVID

Action items:

- Josh needs a pool queen crown
- Nik will put waiver together and finalize guidelines
